Neighbourhood Plan Steering Group

John Durrant from the Neighbourhood Plan Steering Group reported on progress on the Neighbourhood Plan, but also reported on the recent consultation exercise carried out by the Group.

At a 'drop-in' session in January 2018, residents had expressed a wish that it was important that there should be a village hub to replace the loss of both The White Lion and Brookfield Golf Club. The Steering Group had decided that residents' wishes in respect of a village hub, should be sought before proceeding further with the draft Neighbourhood Plan. A questionnaire was delivered to each household.

The return rate was 79% and responses to the following were reported:

- Question 1: Should there be a community building?
90% responded 'yes'.
- Question 2: Did the Methodist Chapel provide an adequate village hub?
48% responded 'yes'
46% responded 'no' – the village needed a new facility.
- Question 3: Gave two options for a new facility –
39% responded to the effect that the village should explore the feasibility of purchasing the Chapel.
43% opted for allocation of land in order to secure a site for a new building.

The Steering Group would now produce a draft Neighbourhood Plan for submission to the Parish Council for approval, prior to it being subject to the Regulation 14 Consultation (The Neighbourhood Planning (General) Regulations 2012).

6 MATTERS RAISED BY LOCAL ELECTORS

Issues raised by residents were as follows:

- Councillor A Lee reminded the meeting of the background to the closure of The White Lion and the Parish Council's subsequent interest in purchasing the building for use as a community pub.

The White Lion Action Group had recently met and the minutes of that meeting featured as an item on the agenda for the Annual Council Meeting later in the evening.

It was reported that the owner was now marketing the building for £600,000 and had reduced the proposed number of houses to be built on the site, owing to drainage problems.

- Hall Lane. A resident commented that whilst Hall Lane was an adopted highway, Cheshire East Council failed to maintain it. He undertook to clear it and clean it.

- A resident suggested that the Neighbourhood Plan Steering Group consider the issue of providing facilities for younger people.
- Mr Kirk Shenton extended an invitation to all to attend a 'picnic in the park' event which he was hosting at Hankelow Hall in the summer. This would be a fund-raising event.

The meeting commenced at 7.30 pm and concluded at 8.05 pm
